Any violation of any of the Rules following Hearing Procedure:

1. First Complaint. Upon receipt of a written complaint by another Unit Owner or Occupant detailing the complaint and the date and place of its occurrence and upon confirmation of the complaint by the Board or its representative, the offending Unit Owner shall be notified of the next meeting of the Board at which a hearing shall be provided to both parties of the complaint.

Nuisances shall not be permitted to exist on the Property, and no uses or practices shall be allowed on the Property or any part thereof which interfere with the quiet and peaceful possession and Property use of the normal use of the Common Elements, which unreasonably increase the Common Expenses or which would result in the cancellation of insurance with respect to the condominium or would increase the cost of such insurance.
- 4.4 Leasing. Units may be leased to other Persons by Unit Owners, but only for terms of not less than sixty (60) days. Leases must be of the entire Unit. All leases shall be in writing and shall expressly provide that they are subject in all respects to all of the provisions of the Governing Documents and the Act, and that any failure of the tenant to comply with any such provision shall be a default under the lease and shall be authority for the Association to declare the lease terminated. The Board may assess or levy reasonable fines or other penalties against Unit Owners or Occupants on account of violation of any Rules and Regulations.
- 4.7 Regulations. All valid governmental laws, ordinances and regulations applicable to the Property shall be observed at all times.
- 4.8 Complying With Governing Documents. Failure of a Unit Owner to comply with the Governing Documents or the Act shall be grounds for an action to recover sums due for damages, injunctive relief, or both, which may be brought by the Association or any aggrieved Unit Owner against a Unit Owner, or by an aggrieved Unit Owner against the Association.
- 4.9 Common Expense Liability. No Unit Owner shall be exempt from liability for contribution towards the Common Expenses by waiver of the use or enjoyment of any of the Common Elements or by the abandonment of the Unit.

5.2 Encroachment Easement. In the event any portion of the improvements to the Common Elements encroaches upon any Unit, or any Unit encroaches upon the Common Elements as a result of authorized construction, reconstruction or repair, or shifting, settlement or movement of any improvements, a valid easement for the encroachment and for the maintenance of same shall exist so long as the encroachment shall and does exist. Such encroachments and easements shall not be considered or determined to be encumbrances either on the Common Elements or on the Units for purposes of marketability of title. In the event improvements are partially or totally destroyed and then rebuilt, the Unit Owner shall permit minor encroachment of parts of the Common Element, and of other Units, due to reconstruction, and valid easements for said encroachments and the maintenance thereof shall exist.

5.3 Declarant's Easement. Declarant shall have and does hereby reserve the right and easement to enter upon and pass through, on and over such Common Elements for the purpose of developing and improving such Common Elements, and for the purpose of marketing and selling Units and constructing Improvements in Units. Declarant shall improve the Common Elements in locations selected by it and pursuant to its plans and specifications with paths, roads, parking areas and landscaping and such other improvements and amenities as Declarant shall determine. connection with the maintenance or repair of the Common Elements or any improvements thereon or in connection with its maintenance responsibilities set forth in this Declaration and at any time for making emergency repairs therein necessary to prevent damage to any Units or Common Elements.

SECTION 6 PARTY WALLS

- 6.1 General Rules of Law to Apply. Each wall which was built as a part of the original construction of the Units and placed on the common boundary between two (2) or more Units shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Declaration, the general rules of law regarding party walls and liability for property damage for negligence or willful acts or omissions shall apply thereto.
- 6.2 Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared equally by the Unit Owners who make use of the wall.
- 6.3 Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, either Unit Owner may restore it, and the other Unit Owner shall contribute equally to the cost of restoration thereof without prejudice, however, to the right of either Unit Owner to call for a larger contribution from the other Unit Owner under any rule or law regarding liability for negligent or willful acts or omissions.
- 6.4 Weatherproofing. Notwithstanding any other provision of this Section 6, a Unit Owner who by his or her negligent or willful act causes the party wall to be exposed to the elements shall bear the entire cost of repair and furnishing the necessary protection against such elements.
- 6.5 Lien Rights. As soon as any expenses for repair and maintenance of a party wall are known, each Unit Owner agrees to make the necessary payments due as soon as reasonably possible. If a Unit Owner fails to make any payment which is due or is necessary to avoid a payment to any contractor, supplier or creditor from becoming delinquent, then the other Unit Owner shall have the right to make such payment and thereupon such amount shall be deemed to be immediately due and owing from the defaulting Unit Owner together with interest at the judgment rate as that rate is established from time to time. The non-defaulting Unit Owner shall have the right to file a lien upon the defaulting Unit Owner's Unit. To evidence such notice of lien, setting forth the amount due together with interest, which notice shall be filed in the Office of the St. Croix County Register of Deeds. This lien shall be superior to all other liens and encumbrances, except liens for general real estate taxes and assessments, the lien for Common Expenses of the Association and the lien of any First Mortgage. Such lien may be enforced and

foreclosed by an action in the same manner in which mechanic's liens are enforced and foreclosed under the laws of the State of Wisconsin, and in such action the defaulting Unit Owner shall be liable for all costs of such action, including, but not limited to, attorneys' fees.

- 6.6 Right to Contribution Runs With Land. The right of any Unit Owner to contribution from any other Unit Owner hereunder shall be appurtenant to the Unit and shall pass to each Unit Owner's successors in title.
- 6.7 Disputes. In the event of any dispute between Unit Owners arising concerning the use, maintenance or repair of a party wall, or under the provisions of this Section 6, such disputes shall be resolved by the Board of Directors of the Association.

SECTION 7 MAINTENANCE AND REPAIR

- 7.1 General. Each Unit Owner shall be responsible for the necessary maintenance and repair of such Unit and the Limited Common Elements associated with said Unit and shall promptly perform all maintenance and repairs which, if omitted, would adversely affect the Unit, the Common Elements or the other Units. The Association shall be responsible for necessary maintenance and repair of the Common Elements (including Limited Common Elements) and shall promptly perform all maintenance and repairs which, if omitted, would adversely affect any Unit or Limited Common Element. Unless the Board elects to do so, such exterior maintenance shall not include glass surfaces, screens, and exterior air conditioning unit; however, if Unit Owner, after notice, neglects to replace broken glass in exterior windows or fails to maintain the appearance of an air conditioning unit, the Association may do so, charging the cost thereof to such Unit Owner. At the election of the Board, the Association may undertake to clean exterior glass surfaces. All such painting,

repair and maintenance shall be done as and when, and to the extent that, the Board deems necessary or desirable. The Association shall remove snow from the Common Element driveways, parking areas, and sidewalks but not from decks, patios or balconies.

- 7.4 Lawns, Planting and Snow Removal Maintenance. The Association shall mow, water, rake, remove snow and maintain, all to the extent the Board deems necessary or desirable, all lawns, exterior plantings, driveways and parking lots. Subject to the prior approval of the Board, Unit Owners and Occupants may establish and maintain tasteful private plantings in suitable portions of the Common Elements and Limited Common Elements within five (5) feet of the perimeter boundaries of their Units; however, the Association shall have no responsibility for the watering, pruning or other care and upkeep of any such private plantings or for any damage which may occur thereto incidental to the Association's mowing, watering, snow removal, care and upkeep of the Common Elements.

SECTION 8 SPECIAL DECLARANT RIGHTS

- 8.1 Election of Board. Declarant may elect the members of the Board during the Declarant control period:
- a. The passage of three (3) years from the date of the first conveyance of a Unit to a Unit Owner other than Declarant; or
 - b. The passage of thirty (30) days after conveyance of sixty-six percent (66%) of the Common Element interests to Unit Owners other than Declarant; or
 - c. Filing in the office of the Register of Deeds of a written surrender of control of the Association by Declarant.

Within forty-five (45) days after the happening of the earliest of said events, the Association shall meet and elect a new Board, as provided in the Bylaws, and thereupon all Directors elected by Declarant shall resign from the Board of Directors. Notwithstanding the foregoing, however, (i) immediately prior to the conveyance of twenty-five percent (25%) of the Common Element interests to Unit Owners other than Declarant, one-fourth (1/4) of all the members of the Board shall be elected by Unit Owners other than Declarant, and (ii) immediately prior to the conveyance of fifty percent (50%) of the Common Element interest to Unit Owners other than Declarant, one-third (1/3) of all of the members of the Board shall be elected by Unit Owners other than Declarant.

- 8.2 Offices. Declarant may maintain sales offices, models and management offices in the condominium and may maintain signs advertising Units in the condominium until all Units therein have been sold. Any Unit owned by Declarant may be used for such purposes from time to time, provided, at any given time, only one (1) Unit may be used as a sales office, only one (1) Unit may be used as a management office, and not more than three (3) Units may be used as models.
- 8.3 Egress and Ingress. Declarant reserves an easement throughout the Common Elements and Units for the purposes of egress and ingress for completion of such construction work as is necessary to complete the erection and sale of Units, which easement shall terminate upon the sale of the last Unit in the condominium and completion of all construction work thereto; provided, however, Declarant shall be permitted a similar temporary easement as necessary for the performance of any work required by any warranty binding upon Declarant.

SECTION 9 INSURANCE

Commencing not later than the time of the first conveyance of a Unit to a Unit Owner other than Declarant, the Association shall cause to be maintained the following insurance coverage to the extent reasonably available:

- 9.1 Property Insurance. Property insurance shall be obtained on the Common Elements and Units, exclusive of land, excavations, foundations, and other items normally excluded from property policies, insuring against all risks of direct physical loss. The elements to be insured by the Association include the interior and exterior structural elements of the units including, but not limited to, the following: studs, trusses, structural elements of the floors, sheathing, concrete, sheetrock, wiring within the walls (except fixtures), plumbing (except fixtures), roof sheathing, roofing, heating and cooling mechanical systems, hot water heaters, water softeners and central vacuum (See Section 9.5 for those elements to be insured by Unit Owners). The total amount of insurance (after application of any deductibles) shall not be less than the full insurable replacement cost of the

insured Property as determined annually by the Board. The Board or its authorized agent may enter a Unit at reasonable times upon reasonable notice for the purpose of making appraisals for insurance purposes. Such coverage shall insure the interests of all Unit Owners, the Association and all mortgagees of Units, as their interests may appear. The insurer in such coverage shall waive its right of subrogation against all Unit Owners, members of the household of Unit Owners, tenants, the Association and members of the Board, and shall waive any invalidity or reduction of liability on account of acts or omissions of any mortgagee of a Unit. Such coverage shall also provide for issuance or certificates of insurance to all Unit Owners and mortgagees, and that the coverage may not be canceled except after thirty (30) days' notice to the Association and to each Unit Owner and all other persons to whom certificates of insurance have been issued. Such coverage shall also recognize any applicable insurance trust agreement, and provide that it shall be primary in the event any Unit Owner has other insurance covering the same loss. From time to time the Board shall determine by resolution whether and under what circumstances any deductibles on property insurance shall be the expense of the Unit Owner or a Common Expense.

- 9.2 General Liability Insurance. Comprehensive general liability insurance in an amount determined by the Board, but not less than One Million Dollars (\$1,000,000.00), covering all occurrences commonly insured against for death, bodily injury and property damage arising out of or in connection with the use, ownership or maintenance of the Common Elements.
- 9.3 Worker's Compensation; Fidelity. Worker's compensation insurance for Association employees as required by law and fidelity bonds for all officers, directors, employees and agents of the Association and all other persons handling or responsible for funds of the Association.
- 9.4 Additional Insurance. In addition, the Board shall have authority to and may obtain and maintain in force any additional insurance coverages and endorsements as maybe carried from time to time by prudent owners of first-class residential buildings in the City of Hudson, and the Board shall maintain such additional insurance coverages as may be required by Federal National Mortgage Association, Federal Home Loan Mortgage Corporation, Federal Housing Administration, Veterans Administration, or any other similar governmental or private agency which now or hereafter is involved in the purchase of or insuring of mortgages upon Units.
- 9.5 Owners Additional Insurance. A Unit Owner may, and is urged to, obtain additional insurance for such coverages and amounts as such Unit Owner deems necessary or appropriate. For instance, property insurance for personal property and other items kept in a Unit or owned by a Unit Owner which are not covered by Association insurance and personal liability insurance for each Unit Owner. Unit Owners shall be responsible for any insurance on interior doors, trim, wall coverings outside the sheetrock, floor coverings, kitchen cabinets, vanities,

mirrors, lighting fixtures, plumbing fixtures, appliances and all personal property. Provided, however, all such policies maintained by a Unit Owner shall contain waivers of subrogation as to the Association, and further provided that the insurance maintained by the Association shall not be affected or diminished by reason of any such additional insurance carried by any Unit Owner.

- 9.6 Insurance Trust Agreement. The Association may enter into an insurance trust agreement wherein the trustee shall have the exclusive authority to negotiate losses under any policy providing the property or liability insurance required hereunder. Each Unit Owner hereby appoints the Association, or any insurance trustee designated by the Association, as attorney-in-fact for the purpose of purchasing and maintaining the insurance required hereunder, including, but not limited to, the following: the collection and appropriate disposition of the proceeds thereof; the negotiation of losses and execution of liability releases; the execution of all documents; and the performance of all other acts necessary to accomplish said purposes.
- 9.7 Waiver of Claims. The Association shall make no claim against a Unit Owner, or member of the household of a Unit Owner or tenant, and each Unit Owner or member of the household of a Unit Owner or tenant shall make no claim against the Association, the members of the Board, officers of the Association, or employees or agents of any thereof, or against any managing agent or its officers, employees or agents, or other Unit Owners, members of their household, or their tenants, for any loss or damage to the condominium, or to a Unit or personal property, even if caused by the act or neglect of any one (1) or more of such persons, due to a peril insured against by insurance maintained by the Association, or by any Unit Owner or tenant, to the extent of the insurance proceeds recovered under any or all such policies of insurance, and all such claims, to the extent of such recovery, are hereby waived and released; provided, however, that this waiver shall not apply to vandalism or malicious mischief or other intentional acts.

SECTION 10

DAMAGE, DESTRUCTION, REPAIR, RECONSTRUCTION OF IMPROVEMENTS

- 10.1 Damage to Common Elements. In the event of damage to all or part of the Common Elements, including Limited Common Elements, the Association shall promptly undertake to repair or reconstruct the same to substantially the same condition they were in prior to such damage, and to complete the same within a reasonable period of time. All costs of repair or reconstruction in excess of available insurance proceeds and any reserves for replacement of such Common Elements shall be a Common Expense.
- 10.2 Damage to a Unit. In the event of damage to all or part of a Unit, the Unit Owner shall promptly undertake to repair or reconstruct the Unit to substantially the same condition as it was in prior to such damage, subject to the approval of such repair and reconstruction by the Board in accordance with Section 3.1 hereof, such

approval to consist solely of a determination that the plans and specifications for such repair and reconstruction are in substantial compliance with the original construction of the Unit and the Plat. After paying out or setting aside a portion of any available insurance proceeds sufficient for the repair or reconstruction of any damaged Common Elements, the Association shall make available to such Unit Owner any insurance proceeds applicable to such damage together with any reserves for replacement applicable to such Unit for proper disbursement by the Association or its designee as insurance trustee toward the costs and expenses of such repair and reconstruction of the Unit.

- 10.3 Damage to Unit in Excess of Insurance Proceeds. If the estimated cost of repair or reconstruction of a damaged Unit for those elements required to be insured by the Association under Section 9.1 is in excess of available insurance proceeds and any applicable reserves for replacement, then the excess cost shall be the expense of the Association and such amount shall be deposited by the Unit Owner with the Association or its designee as insurance trustee, or paid directly to the contractor performing such repair and reconstruction prior to any disbursement by the insurance trustee of any funds designated for such work. The Unit Owner shall be responsible for any insurance shortfall on elements required to be insured by the Owners under Section 9.5.
- 10.4 Partition and Sale of Entire Property. If the entire Property is damaged to an extent more than the available insurance proceeds and reserves for replacement, the condominium shall be subject to an action for partition upon the written consent of Unit Owners having seventy-five (75%) or more of the votes in the Association. In the case of partition and sale hereunder, or sale under Section 2.9 hereinabove, the net proceeds of sale, together with any reserves and other assets of the Association and net proceeds of any insurance shall be considered as one (1) fund and shall be divided among all Unit Owners in proportion to each Unit's percentage interest in the Common Elements, and such proportions shall be distributed in accordance with the priority of interest in each Unit.

SECTION 11

OPERATION OF THE CONDOMINIUM; ASSESSMENTS FOR COMMON EXPENSES

- 11.1 Budget; Levy. Prior to the conveyance of the first Unit, Declarant shall be responsible for payment of all Common Expenses. Thereafter, the Board, from time to time, and at least annually, shall prepare a budget of Common Expenses among the Units equally, each Unit to be assessed a sixty-six percent (66%) share as its Common Expense Liability, subject however to the provisions of Section 11.2 below. Such Common Expenses shall include all costs and expenses expected to be paid or incurred by the Association on behalf of the condominium and all Unit Owners for operation, insurance, maintenance, upkeep, repairs, and other services and expenses reasonably and customarily provided in residential condominium developments. The levy shall be deemed to occur upon the date of the resolution by which the Board adopts such budget. The Board shall fix the

amount of the annual assessment against each Unit and shall advise each Unit Owner in writing as to the amount of the assessment payable with respect to the Unit a reasonable time prior to the first day of the fiscal year for which the Association is made. In addition, the Association shall furnish copies of each budget on which such Common Expenses and the assessments are based to each Unit Owner and to any First Mortgagee which requests the same. In the event an annual assessment proves to be insufficient, the budget and assessments therefor may be amended, or a special assessment levied, by the Board as provided herein or in the Bylaws and the Act.

Common Expenses associated with the maintenance, repair or replacement of a Limited Common Element shall be levied against the Unit or Units to which that Limited Common Element was assigned at the time the expense was incurred. The Association may levy any Common Expense benefiting less than all Units against the Unit or Units benefited, in which case the expense shall be allocated equally among the Units benefited.

Annual assessments shall include adequate reserve funds (i) payable in regular installments rather than by special assessments, for maintenance, repairs and replacement of those Common Elements and Unit exteriors that must be maintained, repaired and replaced on a periodic basis, and (ii) for working capital to be used to meet any deficiencies from time to time as may result from delinquent payment of assessments and other contingencies.

- 11.2 Unimproved, Incomplete and Unsold Units. With respect to assessments for Common Expenses on unimproved, incomplete and completed, but unsold Units, notwithstanding anything in this Declaration to the contrary, prior to the sale or leasing of a completed Unit by the Declarant, the Declarant shall be assessed only the actual costs for each such Unit's costs of maintenance, snow removal, insurance and taxes. Those amounts shall be paid by the Declarant as they come due, rather than as a fixed monthly assessment. The amount due on each Unit shall be determined specifically as to each Unit and its stage of development.
- 11.3 Payment of Common Expenses. All Unit Owners shall be obligated to pay the Common Expenses assessed and levied upon their Unit by the Board. Unless otherwise determined by the Board, such assessment shall be due in monthly installments in advance on the first day of each month of the year or other period for which the assessments are made, or when designated by the Board in the case of a special assessment. Each Unit Owner at the time an assessment first becomes payable, thereupon and thereafter shall be personally liable to the Association for such Common Expense assessment levied by the Association against such Unit.
- 11.4 Records. The Board shall cause to be kept at the registered office of the Association, and at such other place as the Board may determine, records of the actions of the Board, minutes of the meetings of the Board, minutes of the meetings of the Unit Owners, names of the Unit Owners, and detailed and accurate records, in chronological order, of the receipts and expenditures of the Association. Such records of receipts and expenditures and any vouchers authorizing payments shall be available for examination by the Unit Owners, and

the First Mortgagees of the Units, upon reasonable notice during normal business hours. Separate accounts shall be maintained for each Unit setting forth the amount of the assessments against the Unit, the date when due, amount paid thereon and the balance remaining unpaid.

- 11.5 Surplus Funds. Any surplus funds of the Association remaining after payment of or provision for Common Expenses and any prepayment of reserves, at the discretion of the Board (i) shall be retained by the Association and allocated to the reserve fund for maintenance, repairs and replacement of Common Elements and Unit exteriors, or (ii) shall be credited to the Unit Owners to reduce their future Common Expense Liability.
- 11.6 Recordable Statement. The Association shall furnish to a Unit Owner or authorized agent upon written request of the Unit Owner or authorized agent, a recordable statement setting forth the amount of unpaid assessments currently levied against such Unit. The statement shall be furnished within ten (10) business days after receipt of the request and shall be binding on the Association and every Unit Owner.
- 11.7 Liability of First Mortgagee or Purchaser. If a First Mortgagee of record on a Unit or a purchaser who at mortgage foreclosure obtains title to, or becomes entitled to possession of, the Unit pursuant to the remedies provided in the mortgage or by foreclosure of the mortgage or cancellation of the land contract or by deed or assignment in lieu thereof, such acquirer of title or right of possession, and successors and assigns, shall not be liable for that portion of the unpaid assessments chargeable to such Unit which became first payable prior to the acquisition of title to or right to possession of such Unit by such acquirer. Such unpaid share of Common Expenses or assessments shall be deemed to be a Common Expense collectible thereafter from all of the condominium Unit Owners, including such acquirer, and successors and assigns.

SECTION 12 ASSOCIATION

In accordance with the Act, there has been formed an unincorporated Association for the purpose of and which is hereby constituted as the Association which shall act in accordance with said act, its Articles, this Declaration, and the Bylaws. All Unit Owners upon acquiring an interest in a Unit shall automatically be members of the Association and shall remain a member thereof until such time as such interest in a Unit ceases for any reason, at which time such membership in the Association shall automatically cease. When more than one person holds such an ownership interest in a Unit, all such persons shall be members of the Association, however the vote allocated to each Unit may not be split or otherwise cast separately by the several Unit Owners.

All Agreements and determinations lawfully made by the Association in accordance with the voting percentages established herein and in the Bylaws shall be deemed to be binding upon all Unit Owners, their successors and assigns.

No Unit Owner (other than officers and members of the Board) shall have any authority to act for the Association or the other Unit Owners, as agents or otherwise, nor shall a Unit Owner (in such capacity as a Unit Owner) have any authority to bind the Association or the other Unit Owners to contracts, negotiable instruments or other obligations or undertakings of any kind.

**SECTION 13
CONVEYANCE OF UNIT; NOTICE**

Within five (5) days after any voluntary sale, transfer, conveyance (by deed, land contract or otherwise), mortgage, assignment, pledge or other disposition or encumbrance of a Unit by a Unit Owner, the transferee or mortgagee of such Unit shall deliver written notice to the Association stating the date of such disposition or encumbrance, the name and address of such transferee or mortgagee, and any other information required under the Governing Documents or the Act or which the Board may reasonably request.

**SECTION 14
TERMINATION**

The condominium may be terminated only by the affirmative vote or agreement of all Unit Owners and First Mortgagees of the Units, except (i) for a termination of the condominium in the event of a taking of all of the Property by eminent domain (or conveyances under threat of eminent domain), or (ii) a determination to sell under Section 2.9 hereof or partition under Section 10.4 hereof. Following any termination of the condominium, the Property shall be deemed to be owned in common by the Unit Owners, in accordance with the percentages of interest in the Common Elements theretofore appurtenant to each Unit.

**SECTION 15
EMINENT DOMAIN**

In the event of a taking of all the Property by eminent domain (or conveyances under threat of eminent domain), the condominium shall be terminated with all procedures and disposition of proceeds to be governed by the applicable provisions of the Act.

A taking by eminent domain of less than all of the Common Elements shall be governed by the applicable provisions of the Act.

A taking by eminent domain of all of a Unit, or such a substantial part of a Unit as to render reconstruction or restoration as a complete living unit impractical, then such Unit shall be deemed removed from the condominium and that Unit's undivided interest in the Common Elements shall be reapportioned equally among the remaining Units. Otherwise, a Unit remaining after a partial taking of such Unit shall be reconstructed, restored or repaired by its Owner so as to constitute a complete living unit, and the undivided interests in the Common

Elements shall remain unchanged. The disposition of proceeds from the taking of all or a part of a Unit shall be governed by the applicable provisions of the Act.

**SECTION 16
COMMON ELEMENTS, NO PARTITION, ENCUMBRANCE OR TRANSFER**

There shall be no partition, encumbrance or transfer of the Common Elements or any part thereof by a Unit Owner or the Association either through judicial proceedings or otherwise without the prior written consent of all Unit Owners and their mortgagees, unless this Declaration and the condominium has been terminated and the Property is withdrawn from the terms of the Act and any other statutes applicable to condominium ownership.

**SECTION 17
AMENDMENT**

Prior to the first conveyance of a Unit to a Unit Owner other than Declarant, this Declaration and the Bylaws shall be recorded. Thereafter, this Declaration and the Bylaws may be amended only in accordance with applicable provisions of the Act, or by the affirmative vote or agreement of Unit Owners to which at least sixty-six percent (66%) of the votes in the Association are allocated, and at least sixty-six (66%) of the First Mortgagees of the Units (each mortgagee having one vote per Unit financed). Notwithstanding the foregoing, the written consent of Declarant shall be required for any amendment of the Declaration or Bylaws prior to (i) the conveyance of the last Unit to a Unit Owner other than Declarant or (ii) the expiration of ten (10) years after the filing of this Declaration, whichever first occurs. Sections 14, 16, 17 and 18 of this Declaration may be amended only with the written consent of all Unit Owners and First Mortgagees of Units.

**SECTION 18
RIGHTS OF FIRST MORTGAGEES**

Although this Declaration is replete with provisions which meet the requirements of the Federal Home Loan Mortgage Corporation, the Federal National Mortgage Association, the Federal Housing Administration and the Veterans Administration, Declarant deems it appropriate to place certain of such requirements in this one Section, so as to enable the easier review thereof. The following provisions of this Section 18 shall take precedence over all other provisions of this Declaration and the Bylaws, and in the event of any inconsistency or contradiction, the following provisions shall control:

- 18.1 Notice. A First Mortgagee of a Unit or its assigns, upon request, will be entitled to written notification from the Association of (i) any default in the payment or performance by the Unit Owner of any obligation under this Declaration or Bylaws which is not cured within sixty (60) days, (ii) any condemnation or casualty loss that affects either a material portion of the Property or the Unit securing its mortgage; (iii) lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association; and (iv) any proposed action that requires the consent of a specified percentage of First Mortgagees.

- 18.2 Right of First Refusal. There is no right of first refusal contained in this Declaration or the Bylaws.
- 18.3 Liability for Assessments. Any First Mortgagee who obtains title to a Unit pursuant to the remedies provided in the mortgage or foreclosure of the mortgage, or termination of a land contract, or deed (assignment) in lieu of foreclosure or termination, shall not be liable for such Unit's unpaid special assessments which accrue prior to the acquisition of title to such Unit by the mortgagee in the case of a deed, or prior to the expiration of the statutory period of redemption in the case of a mortgage foreclosure or contract termination.
- 18.4 Association Restrictions. Except as provided by the Act in case of condemnation or substantial loss to the Units and/or Common Elements of the condominium, unless at least sixty-six percent (66%) of the First Mortgagees (based upon one vote for each First Mortgage owned), and Unit Owners (other than the Declarant) of the Units have given their prior written approval, the Association shall not be entitled to:
- a. by an act or omission, seek to abandon or terminate the condominium;
 - b. change the pro rata interest of obligations of any Unit for the purpose of:
 - (i) levying assessments or charges or allocating distributions of hazard insurance proceeds or condemnation award, or
 - (ii) determining the pro rata share of ownership of each Unit in the Common Elements.
 - c. partition or subdivide any Unit;
 - d. by act or omission, seek to abandon, partition, subdivide, encumber, sell or transfer the Common Elements. (The granting of easements for public utilities or for other public purposes consistent with the intended use of the Common Elements by the condominium shall not be deemed a transfer within the meaning of this clause);
 - e. use hazard insurance proceeds for losses to any condominium Property (whether to Units or to Common Elements) for other than the repair, replacement or reconstruction of such condominium Property; or
 - f. terminate professional management and assume self-management of the condominium.
- 18.5 Rights. First Mortgagees of Units and their successors in interest upon request shall have the right (i) examine the books and records of the Association or the

condominium during normal business hours; (ii) receive the annual financial statement of the condominium within ninety (90) days following the end of any fiscal year of the condominium; and (iii) receive written notice of all meetings of the Association and be permitted to designate a representative to attend all such meetings.

- 18.6 Assessments. Condominium assessments for Common Expenses shall include an adequate reserve fund for maintenance, repairs and replacement of those Common Elements and exterior surfaces of Units that must be replaced on a periodic basis, and shall be payable in regular installments rather than by special assessments.
- 18.7 Prior Liens. All taxes, assessments and charges which may become liens prior to the First Mortgage under local law shall relate only to the individual Units and not to the condominium as a whole.
- 18.8 Priority. No provision of this Declaration or of the Bylaws shall be deemed to give a Unit Owner, or any other party, priority over any rights of First Mortgagees of Units, or their successors in interest, pursuant to their mortgages in the case of a distribution to the Unit Owners of insurance proceeds or condemnation awards for losses to or a taking of Units and/or Common Elements.
- 18.9 Damage or Destruction. In the event of substantial damage to or destruction of any Unit or any part of the Common Elements the First Mortgagees shall be entitled to timely written notice of any such damage or destruction.
- 18.10 Condemnation; Eminent Domain. If any Unit or portion thereof or the Common Elements or portion thereof is made the subject matter of any condemnation or eminent domain proceeding, then the First Mortgagees shall be entitled to timely written notice of any such proceedings.
- 18.11 Professional Management Services. Any agreement for professional management services between Declarant and the Association, which is entered into during the period of Declarant control of the Association, shall provide for termination by either party, without cause and without payment of a termination fee, upon no more than ninety (90) days written notice given by one of the parties to the other and shall have a term of no more than two (2) years from the date of its execution.

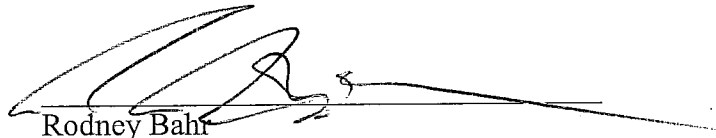

SECTION 19 MISCELLANEOUS

All notices shall be deemed to have been given when delivered or when deposited in the United States mail, postage paid, except notices of change of address, which shall be deemed to have been given when received.

- 19.2 Invalidity. The invalidity of any provisions of this Declaration shall not impair or affect in any manner the validity or enforceability of other provisions of this Declaration which can be given effect without the invalid provisions.
- 19.3 Captions. The captions herein are inserted only for reference, and in no way define, limit or describe the scope of this Declaration, or the meaning of any provision hereof.
- 19.4 Gender, Number. The use of any gender in this Declaration shall be deemed to include the masculine, feminine and neuter gender and the use of the singular shall be deemed to include the plural, whenever the context so requires.
- 19.5 Waiver. No restriction, condition, obligation or provision contained in this Declaration shall be deemed to have been abrogated or waived by reason of any failure to enforce the same, irrespective of the number of violations or breaches thereof which may occur.
- 19.6 Conflicts. In the event of any conflict or inconsistency between or among the mandatory provisions of the Act, this Declaration, the Bylaws and any Rules and Regulations adopted by the Association, the mandatory provisions of the Act shall control; as among or between this Declaration, the Bylaws and any Rules and Regulations, this Declaration shall control.
- 19.7 Liberal Construction. The provisions of this Declaration shall be liberally construed to effectuate its purpose of creating a uniform plan for the ownership and operation of a cooperative and first-class residential condominium project.

IN WITNESS WHEREOF, the Declarant has caused this Declaration to be executed as of the date first above written.

- N. Compensation. Members of the Board may receive reasonable compensation from the Association for acting as such, provided such amounts are specifically set forth in each annual budget and annual report to the Unit Owners.
- O. Liability of Directors and Officers. The members of the Board and officers of the Association shall not be liable to the Unit Owners for any mistake of judgment, negligence or otherwise, except for their own individual willful misconduct or bad faith. - Q. Standing Committee. There shall be two (2) standing committees of the Board: Rules and Regulations Committee and Design Review Committee.

**ARTICLE 4

- A. Annual Meeting. The Unit Owners shall meet at least once each year within ninety (90) days after the close of the Association's fiscal year ("Annual Meeting(s)"). The Annual Meeting of the Unit Owners shall be held at the office of the Association, or such other location as the Board shall reasonably determine. At the first Annual Meeting of the Unit Owners following the expiration of Declarant control as set forth in Article 3 (B) of these Bylaws, the Unit Owners shall elect three (3) members of the Board for terms to expire with the second, third and fourth Annual Meetings of the Unit Owners, in accordance with Article 3 (D) of these Bylaws. At each Annual Meeting thereafter, the Unit Owners shall elect a Director to fill the term then expiring. The Unit Owners may transact such other business at such meetings as may properly come before them.
- B. Special Meetings. It shall be the duty of the President to call a special meeting of the Unit Owners if so directed by resolution of the Board or upon a petition signed and presented to the Secretary by Unit Owners having, in the aggregate, twenty-five percent (25%) or more of the total votes in the Association. The notice of any special meeting shall state the time and place of such meeting and the purpose thereof. No other business shall be transacted at a special meeting except as stated in the notice.
- C. Notice of Meetings. It shall be the duty of the Secretary to give, by delivery or by regular first class mail (by United States mail postage prepaid), written notice of each annual or special meeting of the Unit Owners, at least twenty-one (21) days in advance of each annual meeting and at least seven (7) days in advance of any special meeting, stating the purpose thereof, the time and place and a complete agenda of the meeting, to each Unit Owner of record, at the address of their respective Units and to such other addresses as any Unit Owner shall have designated by notice in writing to the Secretary. Such notice shall be effective upon such delivery or upon such deposit in the mail.

The designation of any such proxy shall be made in writing to the Secretary and shall be revocable at any time by written notice to the Secretary by the Unit Owner so designating. The vote allocated to a Unit shall not be split or otherwise cast separately by the several Unit Owners of a Unit. The vote for a Unit which has several Unit Owners shall be cast by the individual named in a certificate signed by all the Unit Owners of the Unit and filed with the Secretary of the Association. Such certificate shall be valid until revoked by a subsequent certificate. Any dispute between or among several Unit Owners of a Unit regarding the execution of said certificate or who is the individual to cast the vote allocated to the Unit shall be decided by the Board. No vote in the Association shall be deemed to inure to any Unit (i) during the time when the Unit Owner is the Association or its designee, or (ii) during such time as the Association has recorded a statement of condominium lien on the Unit and the amount necessary to release the lien has not been paid at the time of the meeting, or (iii) during such time as a Unit Owner has failed to furnish to the Association his or her name and current mailing address for the Roster of Unit Owners as required by the Act.
- F. Quorum. Except as otherwise provided in these Bylaws, the presence in person or by proxy of Unit Owners having, in the aggregate, fifty percent (50%) or more of the total votes entitled to be cast at the meeting shall constitute a quorum at all meetings of Unit Owners. The vote of a majority of the total votes of all Unit Owners present in person or by proxy and voting any meeting of the Unit Owners at which a quorum shall be present, shall be binding upon all Unit Owners for all purposes except where in the Declaration or these Bylaws or by law, a higher percentage vote is required.
- G. Annual Report. An annual report of the Association shall be made in writing to the Unit Owners of each Unit, containing at a minimum, the following:

One person may hold more than one (1) office, except the office of President and Vice President may not be held by the same person.

the Board may direct, and shall, in general, perform all of the duties incident to the office of Vice President of a corporation organized under Wisconsin Statutes Chapter 181.

- F. Secretary. The Secretary shall keep the minutes of all meetings of the Unit Owners and the Board, shall count the votes at meetings of Unit Owners, shall maintain the Unit Owner roster, shall have charge of such books and papers as the Board may direct, and shall, in general, perform all the duties incident to the office of Secretary of a corporation organized under Wisconsin Statutes Chapter 181.
- G. Treasurer. The Treasurer shall have custody of all funds, property and securities of the Association subject to such regulations as may be imposed by the Board, and shall, in general, perform all the duties incident to the office of Treasurer of a corporation organized under Wisconsin Statutes Chapter 181.
- H. Agreements, Contracts, Deeds, Checks, Etc. All agreements, contracts, deeds, leases, checks, mortgages, and other instruments of the Association shall be executed by any two (2) officers of the Association or by such other person or persons as may be designated by the Board.
- I. Compensation of Officers. Officers may receive reasonable compensation from the Association for acting as such, provided such amounts are specifically set forth in each annual budget and annual report to the Unit Owners.

**ARTICLE 6
OPERATION OF THE CONDOMINIUM**

- A. Budget; Levy. The Board shall from time to time, and at least annually, prepare a budget of Common Expenses for the Association and assess and levy such Common Expenses among the Units according to their respective Common Expense Liability allocated among the Units by the Declaration, subject to the provisions of Section 11.2 of the Declaration. The levy shall be deemed to occur upon the date of the resolution by which the Board adopts such budget. The Board shall fix the amount of the annual assessment against each Unit and shall promptly advise each Unit Owner in writing as to the amount of the assessment payable with respect to the Unit. In addition, the Association shall furnish copies of each budget on which such Common Expenses and the assessments are based to each Unit Owner and to any holder of a first mortgage on a Unit which requests the same. In the event an annual assessment proves to be insufficient, the budget and assessments therefore may be amended, or a special assessment levied, by the Board.
- B. Payment of Common Expenses. All Unit Owners shall be obligated to pay the Common Expenses assessed and levied upon their Unit by the Board pursuant to this Article. Unless otherwise determined by the Board, such assessment shall be

due in monthly installments in advance on the first day of each month of the year or other period for which the assessments are made, or when designated by the Board in the case of a special assessment.

- C. Liability for Assessments. A Unit Owner shall be liable for all assessments, or installments thereof, coming due while owning a Unit. In a voluntary grant, the grantee shall be jointly and severally liable with the grantor for all unpaid assessments against the grantor for his or her share of the Common Expenses up to the time of the voluntary grant for which a statement of condominium lien is recorded, without prejudice to the rights of the grantee to recover from the grantor the amounts paid by the grantee for such assessments. Liability for assessments may not be avoided by waiver of the use or enjoyment for any Common Element or by abandonment of the Unit for which the assessments are made.
- D. Assessments Constitute Liens. All assessments, until paid, together with interest on them and actual costs of collection, constitute a lien on the Units on which they are assessed, if a statement of lien is filed within two (2) years after the date the assessment becomes due. The lien is effective against a Unit at the time the assessment became due regardless of when within the two (2) year period it is filed. A statement of condominium lien is filed in the land records of the Clerk of Court of St. Croix County, Wisconsin, stating the description of the Unit, the name of the record owner, the amount due and the period for which the assessment was due. The statement of condominium lien shall be signed and verified by any officer of the Association and then may be filed. On full payment of the assessment for which the lien is claimed, the Unit Owner shall be entitled to a fileable satisfaction of the lien.
- E. Statement. Any grantee of a Unit is entitled to a statement from the Association or the Board setting forth the amount of unpaid assessments against the grantor and the grantee is not liable for, nor shall the Unit conveyed be subject to a lien which is not filed under subarticle D above for, any unpaid assessment against the grantor in excess of the amount set forth in the statement. If the Association or Board does not provide such a statement within ten (10) business days after the grantee's request, it shall be barred from claiming under any lien which is not filed under subarticle D above prior to the request for the statement against the grantee.
- F. Priority of Lien. Any sums assessed by the Association but unpaid for the share of the Common Expenses chargeable to any Unit constitutes a lien on the Unit and on the undivided interest in the Common Elements appurtenant thereto prior to all other liens except:
- (a) Liens of general and special taxes;
 - (b) All sums unpaid on a first mortgage recorded prior to the making of the assessment;

- (c) Mechanic's liens filed prior to the making of the assessment;
 - (d) All sums unpaid on any mortgage loan made under §45.80 of the Wisconsin Statutes.
- G. Default in Payment of Common Expenses. In the event a Unit Owner does not make payment on or before the date when any assessment or installment thereof is due, the Board may assess, and such Unit Owner shall be obligated to pay, a reasonable administrative charge for each such unpaid assessment or installment thereof, and interest at the highest rate allowed by law on such assessment or installment thereof from the date due, together with all expenses, including reasonable attorneys' fees incurred by the Board in any proceeding brought to collect any such unpaid assessment. In the event of a default of more than thirty (30) days in payment of any assessment or installment thereof, the Board may accelerate the remaining installments of the assessment upon notice thereof to the Unit Owner, and thereupon the entire unpaid balance of the assessment with all accrued interest shall become due and payable upon the date stated in the notice. The Board shall have the right and duty to attempt to recover all assessments for Common Expenses, together with interest and the expenses of the proceeding, including reasonable attorneys' fees, in any action to recover the same brought against a Unit Owner or by foreclosure of the lien upon the Unit.
- H. Enforcement of Lien. A lien may be enforced and foreclosed by the Association in the same manner, and subject to the same requirements, as a foreclosure of mortgages on real property under the laws of the State of Wisconsin. The Association may recover costs and actual attorneys' fees. The Association may bid on the Unit at foreclosure sale and acquire, hold, lease, mortgage and convey the Unit. Suit to recover a money judgment for unpaid Common Expenses shall be maintainable without foreclosing or waiving the lien securing the same. Suit for any deficiency following foreclosure may be maintained in the same proceeding. No action may be brought to foreclose the lien unless brought within three (3) years following the recording of the statement of condominium lien. No action may be brought to foreclose the lien except after ten (10) days' prior written notice to the Unit Owner given by registered mail, return receipt requested, to the address of the Unit Owner shown on the Roster of Unit Owners.
- I. Records. The Board shall cause to be kept at the registered office of the Association, and at such other place as the Board may determine, records of the actions of the Board, minutes of the meetings of the Board, minutes of the meetings of the Unit Owners, Roster of the Unit Owners and detailed and accurate records, in chronological order, of the receipts and expenditures of the Association. Such records of receipts and expenditures and any vouchers authorizing payments shall be available for examination by the Unit Owners, and the First Mortgagees of the Units, upon reasonable notice during normal business hours. Separate accounts shall be maintained for each Unit setting forth the amount of the assessments against the Unit, the date when due, amount paid thereon and the balance remaining unpaid.

- J. Enforcement of Obligations. All Unit Owners, household members, tenants and guests are obligated and bound to observe the applicable provisions of the Declaration, the Act, the Rules and Regulations and these Bylaws. Failure to comply with the aforementioned documents shall give rise to fines, penalties and a cause of action by the Association or any Unit Owner for the recovery of damages, injunctive relief or any or all of the above.

**ARTICLE 7

- F. Conflicts. In the event of any conflict or inconsistency between or among the mandatory provisions of the Act, the Declaration, these Bylaws and any Rules and

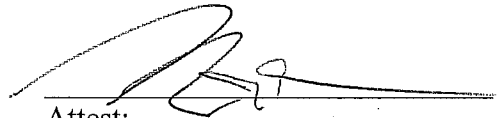

Regulations adopted by the Association, the mandatory provisions of the Act shall control; as among or between the Declaration, these Bylaws and any Rules and Regulations, the Declaration shall control; and as between the Bylaws and any Rules and Regulations, these Bylaws shall control.

RECITALS

WHEREAS, a condominium declaration entitled "Declaration for Hanley Hedge Townhomes a Residential Condominium"(the "Declaration") was recorded on January 14, 2004, at Volume 2491 of Records, Pages 502-528, as Document No. 751562, Register of Deeds for St. Croix County, Wisconsin;

236-1680-05-118

Parcel Identification Number (PIN)

WHEREAS, Section 17 of the Declaration provides that the Declaration may be amended by the affirmative vote or agreement of Unit Owners to which at least sixty-six percent (66%) of the votes in the Association are allocated, and at least sixty-six percent (66%) of the First Mortgagees of the Units (each mortgagee having one vote per unit financed). The Unit Owners, the First Mortgagees of the Units and The Association desire to amend the Declaration. The Association certifies that this Amendment to the Declaration has been approved as required by Section 17 of the Declaration, and that the Unit Owners and the First Mortgagees of the Units have voted in favor of and consented to this Amendment to the Declaration.

AMENDMENT

NOW THEREFORE, the Declaration is amended as follows:

1. Section 9.1 of the Declaration is amended to read as follows:

9.1 **Property Insurance.** Property Insurance shall be obtained on the Common Elements and Units, exclusive of land, excavations, foundations, and other items normally excluded from property policies, insuring against all risks of direct physical loss. The insurance shall be in the form of All-In Building Coverage. The elements to be insured by the Association include the interior and exterior structural elements and fixtures of the units including, but not limited to, the following: studs, trusses, structural elements of the floors, sheathing, concrete, Sheetrock, wiring within the walls, plumbing, roof sheathing, roofing, heating and cooling mechanical systems, hot water heaters; water softeners and central vacuum (See Section 9.5 for those elements to be insured by Unit owners). The total amount of insurance (after application of any deductibles) shall not be less than the full insurable replacement cost of the insured Property as determined annually by the Board. The Board or its authorized agent may enter a Unit at reasonable times upon reasonable notice for the purpose of making appraisals for insurance purposes. Such coverage shall insure the interests of all Unit Owners, the Association and all mortgagees of Units, as their interests may appear. The insurer in such coverage shall waive its right of subrogation against all Unit Owners, members of the household of Unit Owners, tenants, the Association and members of the Board, and shall waive any invalidity or reduction of liability on account of acts or omissions of any mortgagee of a Unit. Such coverage shall also provide for issuance or certificates of insurance to all Unit Owners and mortgagees, and that the coverage may not be canceled except after thirty (30) days notice to the Association and to each Unit Owner and all other persons to whom certificates of insurance have been issued. Such coverage shall also recognize any applicable insurance trust agreement, and provide that it shall be primary in the event any Unit Owner has other insurance covering the same loss. From time to time the Board shall determine by resolution whether and under what circumstances any deductibles on property insurance shall be the expense of the Unit Owner or a Common Expense.

2. Section 9.5 of the Declaration is amended to read as follows:
 - 9.5 Owners Additional Insurance. A Unit Owner may, and is urged to, obtain additional insurance for such coverages and amounts as such Unit Owner deems necessary or appropriate. For instance, property insurance for personal property and other items kept in a Unit or owned by a Unit Owner which are not covered by Association insurance and personal liability insurance for each Unit Owner. Unit Owners shall be responsible for any insurance on wall coverings outside the Sheetrock, floor coverings, vanities, mirrors, appliances and all personal property. Provided, however, all such policies maintained by a Unit Owner shall contain waivers of subrogation as to the Association, and further provided that the insurance maintained by the Association shall not be affected or diminished by reason of any such additional insurance carried by any Unit Owner.
3. Except as expressly amended by this Amendment, the Declaration shall remain unchanged and in full force and effect. In the event of any conflict or inconsistency between the provisions of this Amendment and the Declaration, this Amendment shall control.
